In the entry queue please wear mask and keep 2m between groups

All groups must arrive together.

All guests will be asked to use provided hand sanitiser upon entry to the venue.

Please wear mask when moving around

Please follow the one way flow system throughout the venue

Please arrive no later than 30 minutes after the start of the event, so we can get everyone into the venue and seated safely.

You will be shown a table, you must not stand or mingle with other tables

All drink will be ordered at your table via a waiter and delivered to you. There will be no service at bars

Payments will be card only, and contactless where possible.

All food and drink will be ordered at your table via an app and delivered to you. There will be no service at bars

Toilets will be cleaned regularly. Only 2 people in the toilets at any time

The venue will be sanitised each day and tables sanitised between groups – so your table will be fresh and clean for your arrival.

All our staff will be trained to follow social distancing rules and provided with relevant PPE

Booths and tables have been separated by at least 2m

Please don't arrange to meet in larger groups than your table allows. Keep to your own table area. We cannot allow tables to join together.

We have taken all possible precautions to make sure that groups can be safely separated and the venue facilities are safe — but we must rely on the judgement of customers with regards to the makeup of their groups. Please only attend in groups that you are happy will comply with government advice and your own circumstances.

Over 18s Only - ID Required

The venue does not have a cloak room for health & safety reasons during the pandemic. Please do not arrive with large bags or items as we will be unable to store them.

Finally, have fun – but please do respect everyone's personal space, including fellow party goers and our staff!
